Overview	Items	Insight

Constella's design is a symphony of artistry:

intricate, embossed patterns dance across each piece—floral medallions, geometric lattices, and swirling foliate motifs that catch the eye (and light) with every angle.

These aren't just decorations; they're tactile narratives of craftsmanship, transforming tableware into heirloom – worthy art.

03 Insight

PITO®

pitochina.com

MATERIAL

Made from Bone China and fired twice time, reach 1320 degree, this collection showcases the signature characteristics of Bone China—thin, translucent, and exceptionally durable. The high durability ensures a long service life, helping clients reduce replacement costs and saving wholesalers time by minimizing quality complaints.

DESIGN

Featuring a uniquely textured surface, artistic touch to the table. The subtle detailing complements premium dining environments, making it ideal for fine dining, formal banquets, and stylish restaurants.

FUNCTION

Created for high-performance service environments, this series balances elegance with practicality. It's suitable for a range of premium foodservice settings where durability and visual impact are equally important.

CUSTOMIZATION

We offer a variety of customization options, including logo printing on surface and luxurious gold rim finishing. This collection also extends into a special reactive glaze edition, available in multiple color tones—each piece showcasing unique glaze patterns formed naturally in the kiln, ensuring no two are exactly alike.

CARE INSTRUCTIONS

To ensure the durability and appearance of your porcelain tableware, please follow these care guidelines:

**MICROWAVE &
DISHWASHER SAFE**

Suitable for regular use in both microwave ovens and dishwashers.
⚠️ Except for items with gold or silver rims.

**AVOID EXTREME
HEAT EXPOSURE**

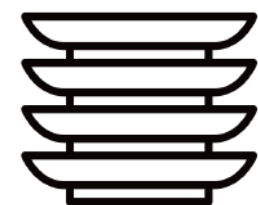

Do not expose the product to sudden temperature changes or direct flame, as this may cause cracking or damage.

USE MILD DETERGENTS

Choose gentle cleaners to protect the glaze and extend the product's lifespan. Abrasive cleaning or drying materials should be avoided, as it will scratch the glazed finish on the product.

STACK RESPONSIBLY

Only stack items designed for stacking. Avoid nesting cups or mugs to prevent edge chipping.

PREVENTIVE CARE

To remove tea or coffee stains, soak in warm water with a bit of baking soda for 10 minutes, then wipe gently with a soft cloth.

Elevate your table to a realm of timeless sophistication.
With Constella, PITO doesn't just create dinnerware—we
craft the silent ambassadors of your brand's legacy, one
exquisite, bone – china masterpiece at a time.
