High temperature porcelain

Alice

Follow Alice to experience the colorful dreams of her childhood. Back to Bolton's magical world, its classic curved shapes and vivid pattern decorations add a special and timeless charm to the small flower series. Whether it's brunch, lunch or dinner, you can enjoy the food in this cute little hibiscus dish. This series of pottery is decorated with charming flowers.

Bone China

Hans

The designer's elegant lines, perfect arcs and calm design provide a sense of low-key luxury to the tableware. High-temperature fired ceramics have a smooth glaze, which can prevent damage during the friction process of the knife and fork. The pure white color does not contain any impurities and can bring out the true color of the food.
